CLUB NOTES

NO BETTER HOME RUN THIS CENTURY

In view of Cardiff City's considerable improvement in defence in the two matches preceding our home meeting with them a fortnight ago no one really expected a repetition of that 9-0 North End win in the concluding match of last season. Yet this game at Deepdale was so completely one-sided that this could well have happened.

Gaining early command and maintaining it North End created chance after chance but had to be satisfied, as they were, with a 4-0 win. Apart from several near misses, four or five opportunities as good as those taken, or better, were wasted, and Cardiff's goalkeeper made himself their eventual hero by achieving several thrilling saves.

This decisive victory extended our home run to a 100 per cent — nine, as follows:

		P.	W.	D.	L.	F.	A.	Pts.
1966-67	...	9	9	0	0	24	7	18
1965-66	...	21	7	10	4	37	23	24

Including the two homes wins at the end of last season the sequence is now 11. One has to go back a long way to find a parallel, to 1892-3, in fact. The team started by winning their first nine League games at Deepdale, as now, then losing to Sunderland; and had won the last 11 home League games the previous season (1891-92), thus achieving a record run of 20 home wins in the League.

CLUB NOTES—*continued*

Unfortunately the away bogey persists. Thus, in spite of a keener spirit and a fine fighting rally at Wolverhampton last Saturday, when a two goals interval lead by the Wolves was wiped out, we failed to return with the well merited reward of a half share. A draw was undoubtedly deserved, but a last minute penalty goal settled the issue.

It was awarded to Wolves in circumstances which brought strong protests from our players, who went off feeling very aggrieved, being convinced they had been the victims of a miscarriage of justice.

The penalty was given after consultation with a linesman for alleged hands by Lawton, who stoutly insisted that the ball had hit his body and he was unable to get out of the way of it. His colleagues were of the same view.

NO BANNERS OR FLAGS AT DEEPDALE

As announced through the Press and in our match advertisements, the Board of Directors have decided regretfully that in future banners and flags will not be permitted inside the ground, at either first or second team games.

Following incidents at North End's recent game with Blackburn Rovers it was found that banners and the like constituted a source of irritation and danger to many supporters.

To obviate friction of this kind young supporters are asked not to bring banners or flags to games at Deepdale.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

OUR VISITORS—*Ipswich Town*

Welcome to Ipswich Town who have a League record of which the Pride of Suffolk can be proud. Suffolk's sole representative has done wonders during a comparatively short span, this being Ipswich's 22nd season of League membership.

Formed as an amateur organisation in 1887, the club did not adopt professionalism until 1936, then entering the Southern League. Two years later Ipswich were elected to the Third Division (South) of the Football League. In their ninth season (1953-54) the club went into Division II as champions.

They set up what is still a club record total of 64 points. Events proved that hopeful Ipswich were not quite good enough for higher company. Finishing with 28 points they went down with Derby County (23 pts.). It was during this promotion season that Ipswich and North End first met.

The occasion was a fifth round F.A. Cup-tie at Deepdale, Preston won by 6-1, Tom Finney (1), Charlie Wayman (2), Jimmy Baxter (2) and Angus Morrison (1) scoring, and we went on to reach the Final. Ipswich proved their potential by again gaining promotion after two seasons.

They finished Third Division (South) champions in 1956-57 with 59 points, and four years later were Division II champions again with 59 points. Further glory was immediately forthcoming by their "dark horse" triumph of winning the League championship in their first season (1961-62) with 56 points.

Ipswich had gone up when we were going down in the spring of 1961. Consequently our initial meeting with this club in the League was deferred until last season, when Ipswich were back in Division II after three seasons in the First Division.

Ipswich's manager is Bill McGarry, formerly a wing half with Huddersfield. He took the place of Jackie Milburn, the successor at Ipswich of England team manager Alf Ramsey. The famous Newcastle centre forward found the strain harmful to his health. Bill McGarry went to Watford in July, 1964, after a spell as player-manager with Bournemouth, and thus was ripe for further advancement.

IPSWICH TOWN PLAYERS

Billy Baxter (*centre half*). Born Edinburgh. Much less powerful in build than the majority of pivots at 5ft. 8in. and 10st. 10lb., but can be just as commanding as he proved in most of his 42 League games last season. Signed from Broxburn.

Cyril Lea (*left half*). Well known as a former Leyton Orient stalwart, going back to 1957. A Welshman who has proved the value of considerable experience.

PAVILION PADDOCK STILES NUMBERS 47, 48 and 49

Please note that consequent upon some necessary structural repairs these Stiles will be closed until further notice. Admission to the Pavilion Paddock will be through Stiles 52, 53, 54, 55 and 56 at the South East corner of the Ground. Any inconvenience to Supporters is regretted, but these Stiles will be re-opened at the earliest possible moment.

We have complaints from Holders of West Stand Reserved Seat Season Tickets regarding delay in getting on to the Stand on 1st Team Match days. We have some 1,200 admissions through three Stiles at 1st Team Games, the majority arriving close on kick-off time, which makes it difficult for all to be admitted in time for kick-off. It would be of benefit to all West Stand Ticket Holders if Supporters would make a special effort to arrive a little earlier, thereby minimising the congestion at kick-off time.

Will all supporters please note that the programme, now 6d includes a free copy of the Football League Review (Price 6d) the Official Journal of the Football League. SPECTATORS ON PLAYING PITCH

Despite requests to supporters that the playing area should be kept clear at all times, juvenile spectators came on to the pitch during the course of the Central League game with Blackburn Rovers. Such irresponsible behaviour could result in this Club being the subject of action by the Football Association. If these incursions on to the pitch do not cease, the Board of Directors may be compelled to close ALL JUVENILE STILES AT BOTH FIRST AND SECOND TEAM GAMES. This is a course of action they do not wish to take, but order must be preserved at games at Deepdale for the safety of all spectators.
